

Baley Jackson

College Station, TX. 77840 817-965-9347 BaleyJackson@tamu.edu

EDUCATION

Texas A&M University, College Station, Texas Class of 2020
B.S. in Petroleum Engineering
Cumulative GPA: 3.851 Major GPA: 3.788

WORK EXPERIENCE

Frac Engineering Intern at ProPetro Services, Inc., Midland, Texas May 2019-August 2019

- Worked on multiple frac sites for companies including Pioneer Natural Resources, Diamondback Energy, XTO, Crownquest, and Double Eagle.
- Learned all of the on-site equipment used to run the frac including the hydration, c-10, blender, pumps, and sand.
- Ran approximately 75 stages as the field engineer involving sand tracking and sand ordering, managing the treatment report, as well as being the point of contact for the company man/engineer.

YMCA, Keller, Texas June 2014-August 2018
Day Camp Director

- Managed 30 employees and 150 children every day to ensure child safety.
- Supervised parent/client/employee relations as well as managed the employee schedule.

ACTIVITIES

Society of Petroleum Engineers 2017-Present

- Co-Chair of Recruitment

American Association of Drilling Engineers 2018-Present

Bynum School Volunteering (70 hours) Summer of 2019

LEADERSHIP

T.I. Digital Systems Teaching and Research Project, College Station, Texas Jan. 2017-May 2017

Control and Power Subsystem Team Lead

- Implemented the design, fabrication, and testing for the control and power subsystem for a mechanical robot.
- Programmed the Energia code to completely control the robot via a mobile application.
- Assisted in the building and wiring of the electrical systems for the mechanical robot.

Engineering Projects, College Station, Texas August 2016-May 2019

- Led numerous interdisciplinary teams through various stages in group projects.
- Tracked project requirements and deadlines and communicated these to other group members.
- Lead programmer

SKILLS

Proficient in *Microsoft Office*, working knowledge in *Matlab*, *Energia*, *LabVIEW*, *FracPro*, and *Visual Basic Applications*.
