Objective

Seeking a full-time job after graduation in drilling, completions, production, or field aspects of engineering in the oil and gas industry. Flexible on location.

Education

Texas A&M University, College Station, TX - *Bachelor of Science in Petroleum Engineering*

August 2016 - May 2020

Cumulative GPA: 2.84

Lonestar College System, Tomball, TX

August 2014 - May 2018

Cumulative GPA: 3.25

Achievements and Activities

- International Well Control Forum Level 1 Programme Certified
- International Well Control Forum Well Operations CRM Certified

Teamwork and Projects

- To perform drilling operations successfully during my internship, teamwork was necessary in every day duties. In my experience, my crew and I have successfully drilled and completed multiple projects.

Activities

- The Pipeliners Association of Houston (June 2018 – Present)
 - Member, Attend events
- Society of Petroleum Engineers (August 2017-Present)
 - Member, Attend events
- American Association of Drilling Engineers (August 2017-Present)
 - Member, Attend events
- Professional Association of Diving Instructors (July 2014 – Present)
 - Member and Open Water Diving Certified

Work Experience

Latshaw Drilling and Exploration, Tulsa, OK – *Drilling Engineer Intern / Floorhand*

May 2019 – August 2019

- Performed manual labor duties of a Floorhand as well as support and assist drilling operations
- Field experience in fracking, cementing, and drilling/completions
- Work experience with Drillers, Directional Drillers, Mud Engineers, MWD/LWD, Mud Loggers, and Third Parties (casing crews, cementing crews, fracking crews)
- Gained knowledge of the everyday operations of a drilling rig and the job functions of all rig personnel.
