## **Objective Statement**

Extremely motivated engineering student with exceptional leadership, teamwork, communication, and problem solving skills, seeking to make immediate and lasting contributions in a full-time position for a company in the oil and gas industry.

## **Education**

**Texas A&M University**, College Station, TX

December 2020

Bachelor of Science in Petroleum Engineering – GPR: 3.26

## **Work Experience**

**Noble Energy Inc.**, Greeley, CO

May 2019 – August 2019

*Process Safety Engineering Intern*

- Created a reporting system to allow for effective and accurate identification of process safety events.
- Constructed an investigation tool to be utilized to reduce the number of process safety events seen in Noble Energy's Denver Business Unit assets.
- Developed knowledge and understanding of production facilities and equipment through hands on experience via field visits and piping and instrumentation diagrams.
- Daily tasks included meetings to assess risk associated with production equipment, and working with Microsoft Excel and Visio to gather data and develop presentations to show process safety event issues and solutions.
- Wrote a policy document for Noble Energy's Denver Business Unit assets, to establish efficient, effective and sustainable reporting, investigation, and solutions processes for process safety events.

**Performance Course**, Flower Mound, TX

June 2017 – July 2020

*Strength and Conditioning Coach*

- Lead over 500 student-athletes from ages 8 – 18 to assist in their athletic and character development.

## **Leadership**

**Texas A&M Corps of Cadets**

*Commanding Officer of Company F-2*

May 2019 – May 2020

- Responsible for creating academic, professional, and physical goals for Company F-2, and developing 40 cadets into extraordinary men and women of character, prepared for a career in military or professional careers.
- Developing management skills of the F-2 leadership team through delegation of responsibility based on individuals' strengths.
- Lead Company F-2 to 1<sup>st</sup> place finish for Most Outstanding Unit, Best Academic Unit, and Most Improved Unit, out of 45 Corps Units.

*First Sergeant of Company F-2*

May 2018 – May 2019

- Responsible for the personal, professional, and academic accountability of 35 cadets, freshman through senior.
- Carried out Commanding Officer's intent by developing and executing training plans for Company F-2.

**Nichols Rising Leaders Conference**

May 2018 – May 2020

*Small Group Leader*

- Responsible for leading a group of 7-10 sophomores and helping them to develop into effective juniors fit to lead in the coming year.

*Nichols Challenge Committee*

- Responsible for designing competitions to test and improve the leadership skills of over 80 sophomore cadets.

## **Volunteer History**
