## Education

### **BACHELOR OF SCIENCE | EXPECTED MAY 2021 | TEXAS A&M UNIVERSITY**

- Major: Petroleum Engineering

### **ASSOCIATE | SUMMER 2019 | BLINN COLLEGE**

- Major: Science

## Experience

### **WELDER/MAINTENANCE | TRENT ISD | JUNE 2016-AUGUST 2016**

- Several large-scale projects including metal fabrication, mason work, landscaping, maintenance, and livestock work, shows I can work well with teams, in difficult and uncomfortable environments, or in new positions with minimal training and still excel.

### **CONTRACTED LABOR**

- Varying jobs with skills similar to those listed above. Having to complete these tasks in smaller time increments has trained me in versatility, precision, task-orientation, and working in a high stress environment.

## Skills

### **LEADERSHIP**

- Led fabrication projects, as well as mentored students in metal fabrication. President of local FFA chapter, Captain of several UIL academic teams, high school class treasurer, high school football team captain.

### **PROFICIENT IN MICROSOFT OFFICE**

- Including Excel, PowerPoint, and Word. Utilized Excel for cash flow analysis, project bookkeeping, intricate calculations, and some experience in utilizing Python to enhance Excel projects.

### **MATHEMATICS**

- Budgeted large-scale projects. Placed first in several district academic competitions, advanced and placed in several Regional competitions. Tutored several dual credits, and some college mathematics courses.

### **COMMUNICATION**

- Given several presentations on varying topics, showcased budgets and completed projects, assigned tasks throughout team members and maintained a controlled environment in tense positions.
