EDUCATION

Texas A&M University, College Station, TX
B.S. in Petroleum Engineering

Graduation Date: May 2022
GPR: 2.7
GPA: 2.6

RELEVANT EXPERIENCE

May 2018-Present

HZ Services, Odessa, TX

Welder's Apprentice

- Learned the procedure of producing code separator vessels from start to finish
- Reduced the time to fabricate, fit, and weld each vessel by 3 days
- Lowered time utilizing a submerged-arc welding machine by 1 hour per head cap using high quality wire and specialized weld pattern

Roustabout Hand

- Coordinated with construction supervisors on the construction of facilities such as tank batteries, compressors, and gas flares
- Safely conducted regular maintenance on pre-existing facilities
- Assembled O&G production facilities including separator vessels, well heads, and flow lines
- Gained experience with tools and heavy machinery used on a day-to-day basis

3N Oilfield Services, Odessa, TX

March 2017-January 2018

Office Runner

- Organized and stored financial records in chronological order mitigating audit risk
- Managed inventory of office supplies and office traffic
- Performed regular maintenance such as replacing light bulbs, throwing trash, and installing new furniture
- Ensured the office setting was upheld to the highest sanitary conditions possible

SKILLS

- Certifications: Field Safety Training, H2S Hydrogen Sulfide Awareness Training, Forklift Training, and Manlift Training
