Chasemclean@tamu.edu – (682) 557-7930 – www.linkedin.com/in/chase-mclean

## EDUCATION

Texas A&M University, College Station, Texas  
B.S. in Petroleum Engineering – Certificate in Petroleum Finance

Expected Graduation Date: **May 2022**  
**Cumulative GPA: 3.683**

## EXPERIENCE

**Peloton Computer Enterprises**, Katy, Texas

May 2021 – August 2021

*Platform Data Management Intern*

- Gained proficiency in WellView and ProdView software through multiple extensive projects performed on clients' data
- Developed VBA code to parse, organize, and transfer 1.4 million rows of production data between software platforms
- Utilized tailored trainings and co-workers' wealth of experience to grow in Oil & Gas field terminology and Excel skills
- Presented on how Zipper Fracs Optimize Inefficient Completion Operations to an audience of 40 full-time team members

**Chesapeake Energy**, Casper, Wyoming

May 2020 – August 2020

*Field Intern*

- Traditional internship unavailable due to "market conditions and the uncertainty surrounding COVID-19"

**Wier & Associates Inc.**, Arlington, Texas

June 2018 – August 2019

*CADD Technician Intern*

- Collaborated with co-workers in a team setting and balanced multiple projects at once
- Developed lot design, analyzed drainage slopes, and created cross-sections with AutoCAD Civil 3D
- Surveyed and staked lot in preparation for implementation of design

**Kanakuk K-7**, Lampe, Missouri

Summer 2019 & 2020

*Camp Counselor*

- Directed 10 campers each week in activities, discussions, and spiritual development

## PROFESSIONAL LEADERSHIP & ACTIVITIES

**Petroleum Ventures Program (PVP)**

March 2020 – Present

*President / CEO for 2021-2022*

- Elite finance-based program that centers around petroleum economics, entrepreneurship, and business concepts
- Elected to lead and coordinate with fellow officers to execute program initiatives and board member events

**Society of Petroleum Engineering (SPE)**

September 2018 – May 2021

*SPE Mentorship Program Participant*

- Directed mentee 1-on-1 through resume and offered advice on career fair, elevator pitch, interviews, and more

*Recruitment Committee Member*

- Promote and represent the Petroleum department at events including but not limited to Aggieland Saturday and MSC open house

*2020 SPE Sophomore Retreat Counselor*

- Conducted resume workshop and also presented career development, interview skills, and SPE involvement

**American Association of Drilling Engineers (AADE)**

May 2020 – May 2021

*Director of Internal Outreach*

- Create flyers and speak before classes to promote AADE's events and opportunities
- Interest prospective and current students in the drilling industry as well as recruit new AADE members

## CIVIC LEADERSHIP & ACTIVITIES

**Living Water International Mission Trip**

March 2020

- Drilled 230ft water well from start to finish outside of Choluteca, Honduras with two drilling engineers

**Impact Retreat**

October 2020 – Present

*Co-chair*

- Direct 50-person camp by leading and training counselors and facilitating community for incoming freshmen at A&M

**Brothers Under Christ (BYX) Fraternity**

December 2018 – December 2020

*Tailgate Chair*

- Budget \$750/week and orchestrate the development and facilitation of BYX's Aggie football tailgates for 350+ people each week

*Cell Group Chair*

- Oversee and meet with cell groups leaders within BYX to discuss the cell groups they lead; debrief findings in report for officers

**Declaration Church**

March 2019 – February 2021

*Children's Ministry Leader*

- Serve every other Sunday with Elementary children as a role model, teaching the Bible and playing games
